MUSIC SCRAMBLES

MELODY MIX-UP PUZZLE #6

Name_____

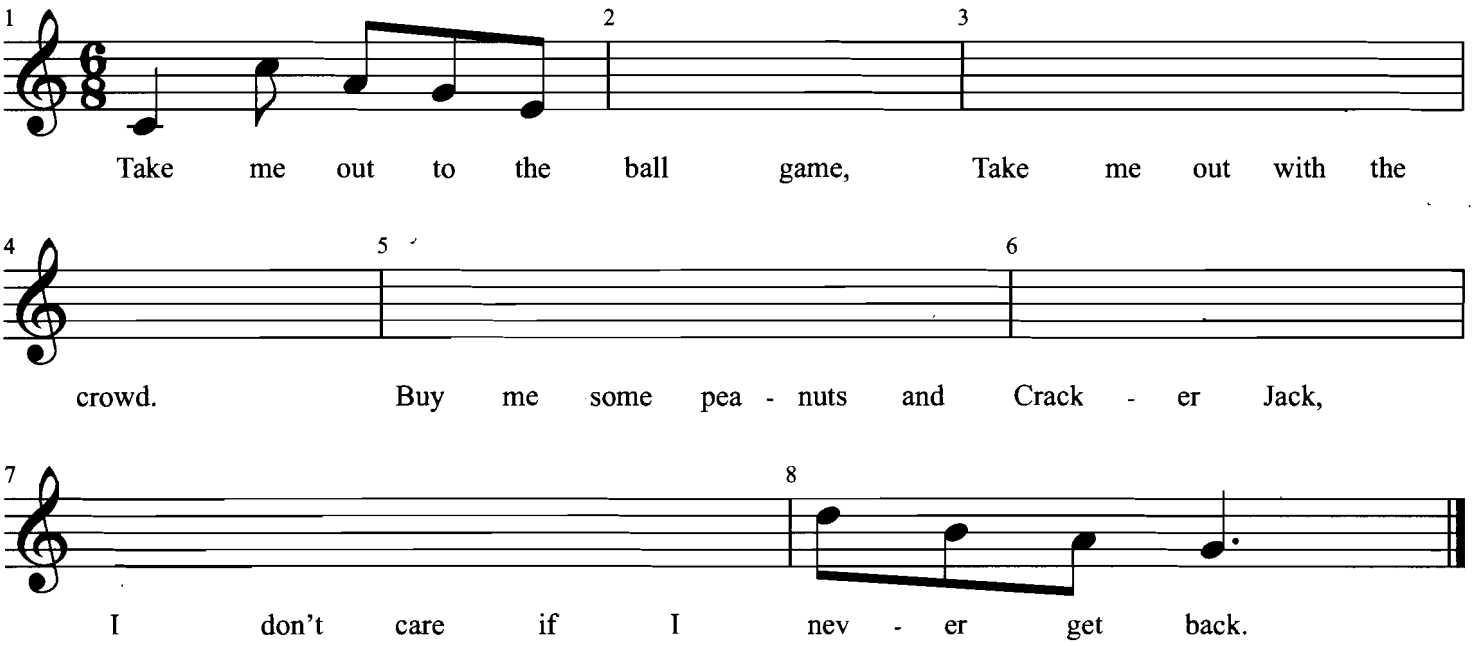
Class_____

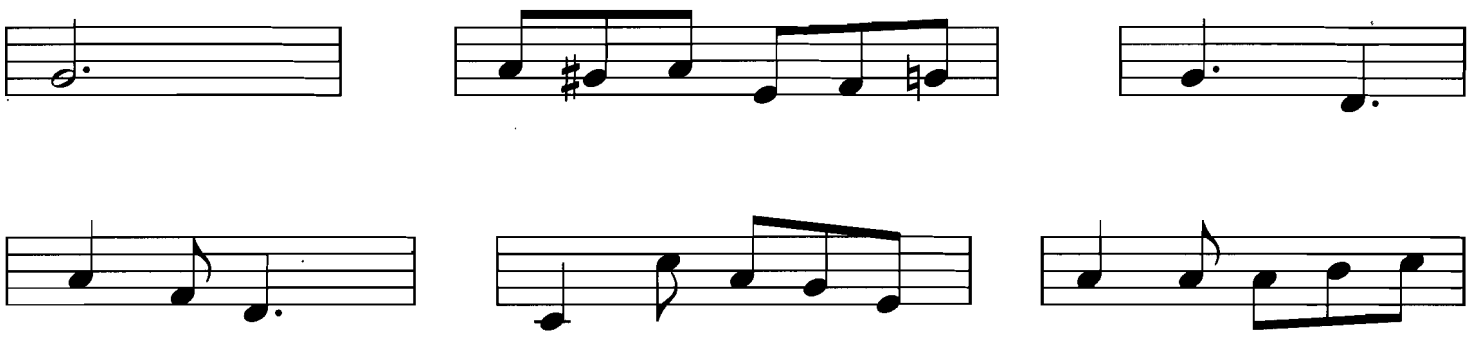
DIRECTIONS: The song is missing several measures of music. The missing measures are displayed below the song but are not in the correct order. Beginning with measure two, select the correct measure of music and draw it in the empty measure. Continue with measure three and so on. Carefully align the melody notes and rhythms with the lyrics. The first and last measures are already done for you.

TAKE ME OUT TO THE BALL GAME

Words by Jack Norworth

Music by Albert von Tilzer





BONUS QUESTION: The distance in pitch from one note to another is called an interval. The first two notes of this song are eight notes apart.

Name the first interval. _____
